

# JUSTICE

NAPA VALLEY

## 2016 Jurisdiction Cabernet Sauvignon Napa Valley

Since our first vintage in 2004, Justice has represented our foray into the deep end of the high-end Napa Cabernet pool. Our commitment to working with the best fruit available to produce single-vineyard wines of true expression has continued to set the tone for our entire portfolio, and a time-honored relationship with Andy Beckstoffer has helped create the foothold that has secured our continued access to two of Napa Valley's most iconic vineyards. Even Wine Spectator got their hands on them over a decade ago and put the Justice trio in a "20 to Watch" feature. Combined with high accolades from Parker's The Wine Advocate, among many others, it's no surprise the Justice wines carry a distinctive legacy on their own.

The Justice offerings feature three distinctly individual expressions of Napa Valley at its finest. Featuring two of Napa's most heralded single-vineyard sites, Beckstoffer's To Kalon and Dr. Crane vineyards, these wines spotlight the true expression of each site and the varietals that have helped make this region famous.

The verdict is in and Justice is served.

## Tasting Notes

Sourced from some of the greatest vineyards Napa Valley brings to the table, one of our newer projects continues its emergence out of the gate and sets the pace with ease. With winemaker Tim Milos at the helm, this is unbridled pedigree at a fraction of the cost. A stampede of black currants, crème de cassis, blueberry cobbler, melted chocolate, graphite, violets, and spiced berries overwhelm the senses, while a seductive texture and thunderous finish leave no question as to this wine's lineage.

Though this project is cloaked in mystery, this sensational Cabernet Sauvignon leaves no confusion as to the quality of the finished product.
