## 2016 Frontier Justice Red Wine “Beckstoffer Dr. Crane Vineyard”

Frontier Justice has always highlighted Cabernet Franc from Beckstoffer’s ‘Dr. Crane’ vineyard located in the western hills of St. Helena. Given Cabernet Franc is the father of Cabernet Sauvignon, we always felt it deserved its own place at the proverbial table, and year after year, this luscious wine reinforces we were right to make that play. Born from a vineyard that sits at the base of the Mayacamas mountain range, the combination of alluvial soils, crushed volcanic rock and a full day of Napa Valley sunshine make for a fabulous environment for this fruit to call home.

A sweet-fruited blockbuster that dishes out tons of pleasure, crème de cassis, wild blackberries, purple flowers, pipe tobacco, spiced mocha, and vanillin all emerge from this hedonistically concentrated beauty that possesses supreme length, impressive mid-palate density, and a sensational finish. The Dr. Crane vineyard produces wines with a muscular and mineral feel to them, and this bottling is no different.

DUNNUCK

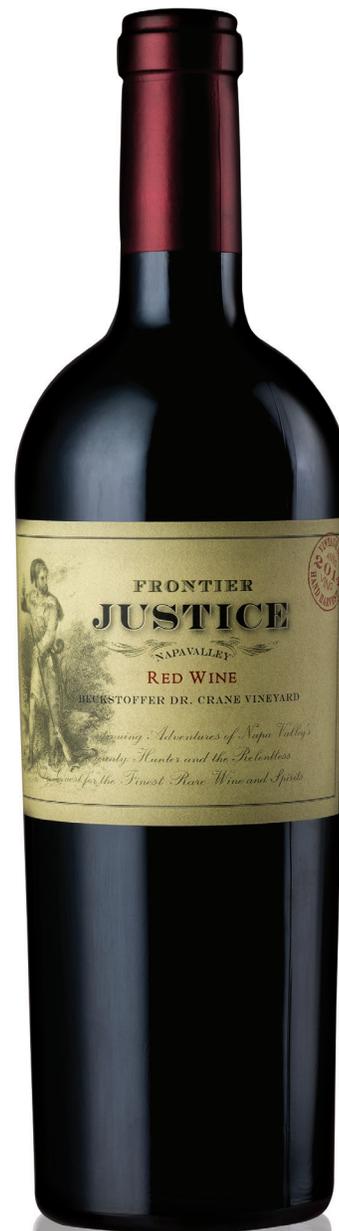

“A blend of 53% Cabernet Sauvignon, 47% Cabernet Franc, and 2% Petit Verdot aged mostly in new oak, the 2016 Frontier Justice Beckstoffer Dr. Crane Vineyard comes from one of the gem vineyards in the valley, which I might add also excelled in the 2016 vintage. This deeply colored effort gives up voluptuous amounts of ripe cherry and currant fruits, ample spice, cedar, and incense nuances, a fleshy, full-bodied, sexy texture, and a great finish. A wine that packs some serious depth of fruit and intensity into a beautifully balanced, weightless package, this sensational juice can be drunk any time over the coming 2-3 decades.”

“The 2016 Red Blend Frontier Justice Beckstoffer Dr. Crane Vineyard is a blend of 53% Cabernet Sauvignon, 47% Cabernet Franc and 2% Petit Verdot. Deep purple-black colored, it opens with notes of baked cherries, stewed plums and blueberry pie plus hints of sautéed herbs, scorched earth, fruitcake and hoisin. Full-bodied and laden with spicy baked berries flavors, it has a chewy texture and just enough freshness to lift the finish.”
