

LITHOLOGY

2018 LITHOLOGY NAPA VALLEY CABERNET SAUVIGNON

We only produced a scant 50 cases of this wine this year, far too small an amount considering how great it turned out. There's that typical saturated to the rim deep purple color, with intense cassis, herb, and milk chocolate, bricks and forest floor, black plum pudding aromas. In the mouth, there's a great balance, with notable oak and vanilla notes intertwined with dense black fruits. It's an opulent and plush style, yet finishes with sweet grippy tannins.

APPELLATION:	Napa Valley
